DENIAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby deny the same, subject to the following limitations and conditions: on the grounds that the granting of the application would impair the value of existing subsurface water rights and be detrimental to the public welfare.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed cubic feet per second

Actual construction work shall begin on or before  
Proof of commencement of work shall be filed before  
Work must be prosecuted with reasonable diligence and be completed on or before  
Proof of completion of work shall be filed before  
Application of water to beneficial use shall be made on or before  
Proof of the application of water to beneficial use shall be filed on or before  
Map in support of proof of beneficial use shall be filed on or before

Commencement of work filed  
Completion of work filed  
Proof of beneficial use filed  
Cultural map filed  
Certificate No. Issued
